CHANGE MAKERS

"\$300 a month, I spend more on my wine subscription!"

Tom Peterson

Tom's monthly contribution of \$300 is enough to support one young person throughout one year of mentoring. In this time, the building blocks of long-term change have been laid.

Change a Life Club

Like **13 year old Chelsea**, when referred was showing suicidal ideations and self-harm. With the support of a mentor, she has now become a confident young woman, setting career goals and making plans to travel the world.

"\$1200 a month - a small price to pay to change several young lives, and in turn, the communities they live in, forever."

Marc Montepulciano

Marc's monthly contribution of \$1200 means four young people will receive a life changing mentor. This level of support has the ability to change not just one life but a whole community!

Change a Community Club

Like **10 year old Jake**, who went from not having a single male he could trust, due to his violent upbringing, to learning how to stand up for himself. Now studying to be a teacher - giving back to his community.

"\$48 - that's how much I spend on my skinny flat whites & cake. It's nothing really."

Esther McDonald

Esther's monthly contribution of \$48 will cover two months of mentoring, leading to a whole year of change for a young person experiencing vulnerability.

Change a Year Club

Supports children like **8 year old, Lauren** who went from an isolated, frightened child, hiding in her room, to travelling the region with the schools representative football team.
